I am enclosing the Orders from Cheshire West and Chester detailing the changes planned in and around the car park on Church Street.

As part of their standard publicity period for such works, these notices must be displayed locally. Since you are directly concerned by the changes, I am sending these to your address to make sure that you have sight of them. The Cheshire West notices include details of how to send them any comments you may have.

The Traffic regulation Order also spells out the hours during which parking restrictions will apply. I believe this was missed out in the letter we sent you and some of your neighbours in August, for which I apologise.

I'd appreciate if you could let us have your email address for further correspondence on this matter.

Best regards,
